MARKETING PLAN RULES

- 1. To be qualified for commissions you need at least 1 active Adpack.
- 2. To get your share of the total company's turnover you must click on adverts of other customers at least 10 times per day.
- 3. One Adpack = \$50US.
- 4. An Adpack is finished whenever you generate \$ 60. The time depends on the total company's turnover.
- 5. To get commissions from the Status Position II or higher, you need to pay the fee for every year or 6 months.
- 6. 5% of your income will be booked on your Advertising Account. On this Advertising Account you can pay for your own adverting and you can also use it to pay the fees for the Status Positions.
- 7. You can get an additional income from the FutureNet Marketing Plan.
 If you want to withdraw your FutureAdPro commissions, 5% will be always used for payments in the FutureNet Marketing Plan.

All the details you can check in the official FutureNet Marketingplan.
